We have three pizza bases especially for schools; our 'Deep Pan White' and our 'Deep Pan Brown with 25% Wholemeal' are extremely popular with both schools and students alike, and our topped pizza for ease in time restricted operations.. As with all our pizza bases, they are hand-finished and made using the very best ingredients; they contain no GM products, artificial flavours or preservatives. They are low in fat and have a reduced salt content of 0.75% to ensure they comply with nutrient-based Government standards.
